

18th World Conference on Seismic Isolation, Energy Dissipation, and Active Vibration Control of Structures (18WCSI)
&
7th International Conference on Earthquake Engineering and Seismology (7ICEES)

6-10 NOVEMBER 2023
XANADU RESORT CONVENTION CENTER
BELEK, ANTALYA, TÜRKİYE

18WCSI	 Patronaged by ASSISI	 DEPREM İZOLASYON DERNEĞİ Turkish Association for Seismic Isolation Organized by TASI
7ICEES	 TÜRKİYE DEPREM MÜHENDİSLİĞİ DERNEĞİ EARTHQUAKE ENGINEERING ASSOCIATION OF TURKEY Organized by EEAT	

Dear Colleagues,

The 18th World Conference on Seismic Isolation, Energy Dissipation, and Active Vibration Control of Structures (18WCSI) is organised by the Turkish Association for Seismic Isolation (TASI) and patronaged by Anti Seismic Systems International Society (ASSISI). The conference will be a joint conference with the 7th International Conference on Earthquake Engineering and Seismology (7ICEES). The conference will be held on 6–10 November 2023 in Antalya, Türkiye with the participation of international and national academicians, experts, practising engineers, manufacturers, and people from other related fields of seismic isolation. The conference will include keynote lectures from the world's renowned experts and sessions with presentations on the most recent studies related to seismic isolation and energy dissipation devices. On behalf of the Local Organizing Committee of 18WCSI, we invite you to participate and submit related papers in this four-day international conference to discuss and evaluate the state-of-the-art advances and future perspectives in seismic isolation and energy dissipation applications worldwide. We kindly ask you to visit the official conference website (www.18WCSI.org) for detailed information on important deadlines, venue, and registration process. We are looking forward to hosting you in Antalya

On behalf of the Local Organizing Committee,

Mustafa ERDİK
Chair (18WCSI)
Founding Honorary Member
President (TASI)

Bahadır ŞADAN
Organizing Secretary(18WCSI)
President (TASI)

Dear Colleagues,

On behalf of the Earthquake Engineering Association of Türkiye, (EEAT) as the main organiser and the Department of Civil Engineering at Alanya Alaaddin Keykubat University as the local host, it is our great honour to invite you to the 7th International Conference on Earthquake Engineering and Seismology (7ICEES), which will be a joint event with the 18th World Conference on Seismic Isolation, Energy Dissipation and Active Vibration Control of Structures (18WCSI) and held together during 6–10 November 2023 at Xanadu Resort Convention Center, Belek, Antalya, Türkiye. Türkiye has been subjected to devastating earthquakes in the past, and the raise of public awareness in Türkiye raised significantly after the 1999 Kocaeli earthquake. The public and private sectors took immediate actions against earthquakes. Since then, a number of earthquake awareness programs have been initiated and risk reduction methodologies have been implemented for all types of structures. In addition to structures, the implementation of proper structural or non-structural risk mitigation tools for critical infrastructure is also required for safety purposes and to reduce the insurance premiums of the facilities. Thus, this conference aims not only to bring together scientists, professionals, governmental officials, and NGOs working in the field of earthquake engineering and seismology but also to discuss the current problems in earthquake engineering-related problems. It will provide a unique opportunity for exchanging ideas and help create contacts among scientists for future bilateral and multilateral scientific cooperation nationally and internationally. We are looking forward to your participation and support of this joint conference, which will be held at Belek Antalya, Türkiye; one of the most attractive and touristic places in the world with numerous natural and historical places to visit in the turquoise blue Mediterranean region. We kindly ask you to visit the conference website <https://18wcsi-7icees.org/7icees> for detailed information.

Best Regards,

Murat Altuğ Erberik
President of EEAT

M. Eren Uçkan
Head of 7ICEES Organizing
Committee

FACTS

Dates	6-10 November 2023
Venue	Xanadu Resort Convention Center
Location	Belek, Antalya
Official Conference Language	English
Exhibition Area	400 sqm
Expected Exhibitors	50
Expected Attendees	500+

Topics & Themes

18WCSI

- Seismic isolator and energy dissipating device design
- Seismic isolator and energy dissipating device testing
- Design of buildings with seismic isolation and/or energy dissipation devices
- Design of bridges with seismic isolation and/or energy dissipation devices
- Design of industrial and power-plant structures with seismic isolation and/or energy dissipation devices
- Retrofitting of existing structures and cultural heritage with seismic isolation and/or energy dissipation devices
- Codes, regulations, and guidelines on the design of structures with seismic isolation and/or energy dissipation devices
- Structural health monitoring of structures with seismic isolation and/or energy dissipation devices

7ICEES

- Physics of Earthquakes and Seismic Sources
- Seismotectonics and Paleoseismology
- Secondary Hazards Caused by Earthquakes
- Seismic Networks
- Engineering Seismology and Strong Ground Motion
- Machine Learning in Seismology and Earthquake Engineering
- Geotechnical Earthquake Engineering
- Site Characterization, Site Effects and Microzonation Studies
- Tsunami: Hazard/Risk Assessment and Early Warning
- Seismic Analysis and Design of Structures
- Seismic Resilience
- Evaluation and Rehabilitation of Structures
- Performance Based Design and Analysis of Structures
- Seismic Safety of Historical Structures
- Seismic Design Codes
- Seismic Testing Procedures
- Infrastructure
- Structural Health Monitoring
- Seismic Performance of Nonstructural Components
- Seismic Resilience
- Disaster Management and Risk Mitigation
- Lessons Learned from Recent Earthquakes
- Economical and Social Impacts of Earthquakes
- Urban Planning in Earthquake Prone Regions
- Earthquakes and Architecture

CONFERENCE OVERVIEW

Monday 06.11.2023 (09:00 - 17:00) (17:00 - 18:00)	Registration Icebreaker
Tuesday 07.11.2023 (09:30-18:30)	Registration, Opening speeches(WCSI-ICEES),Technical programme(WCSI-ICEES)
Wednesday 08.11.2023 (09:30-18:30)	Technical programme(WCSI-ICEES)
Thursday 09.11.2023 (09:30-18:30)	Technical programme(WCSI-ICEES) ASSISI General Assembly Meeting (WCSI) EEAT Board Meeting (ICEES)
Friday 10.11.2023 (09:30-12:30)	Technical programme(WCSI-ICEES), Closing Ceremony

REGISTRATION AND ACCOMMODATION

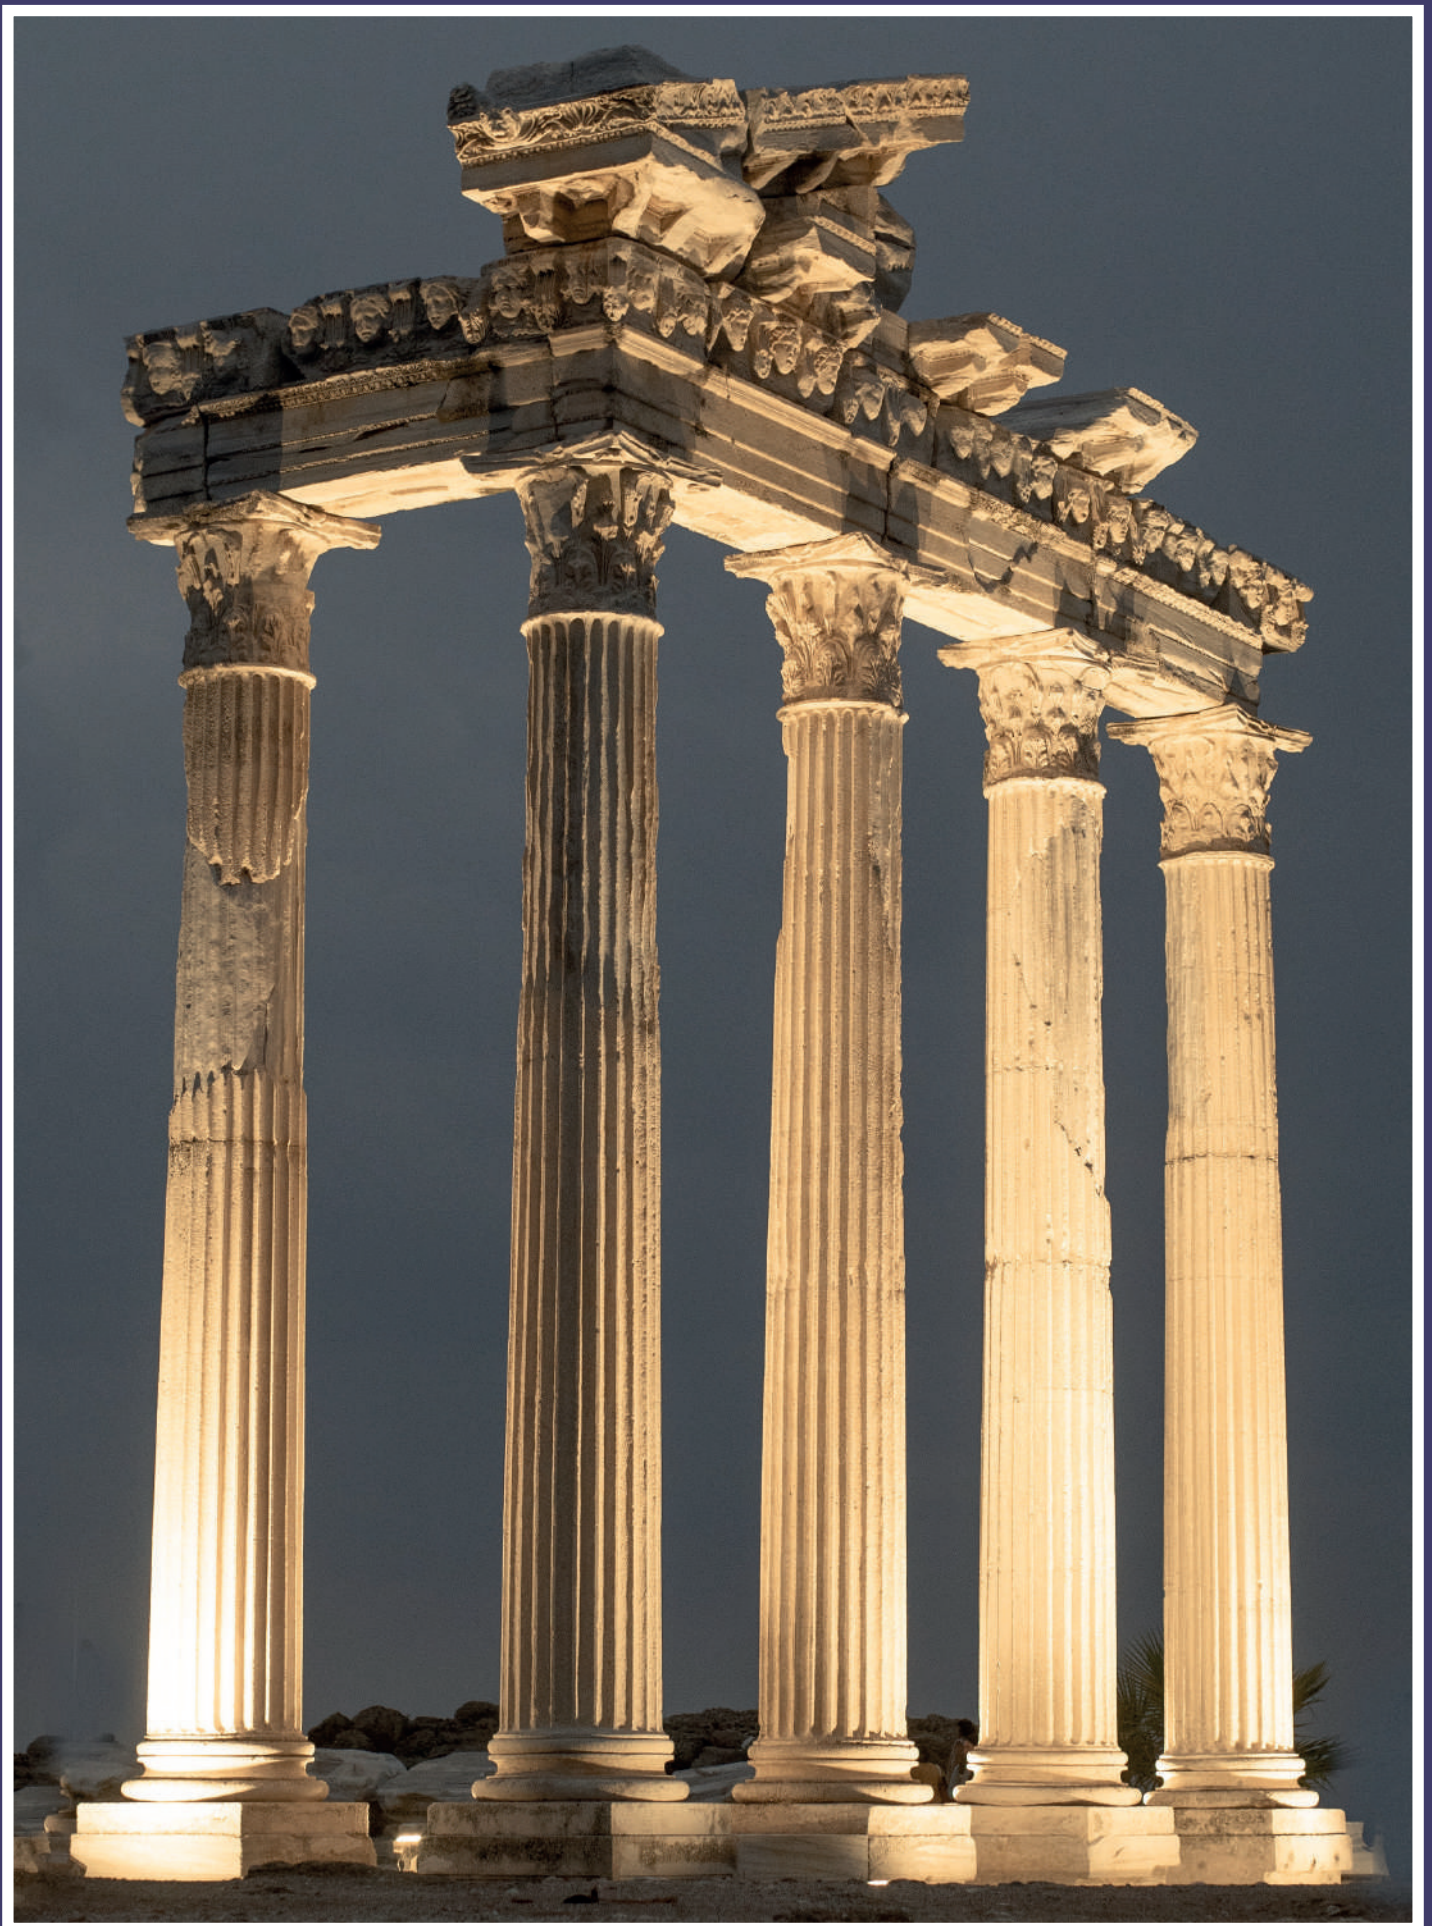

Master and Ph.D. students under 35 years old, please send an e-mail to info@18wcsi-7icees.org for registration.

Registration and Accommodation Fees (for 4 nights)	Between 01.01.2023- 1.9.2023	After 1.9.2023
Double room (for per-participant)	600€	800€
Single room	750€	950€
Double room (for accompanying person)	300€	400€

*Please register for the conference at your earliest since we have limited places at the venue hotel. In the case your submitted abstract is not accepted by the technical committee, your registration fee will be fully refunded.

Registration fees include:

- 4 night accommodation in all-inclusive hotel
- Conference registration
- Coffee breaks
- Transfers from the airport to the hotel and back (with shuttle)

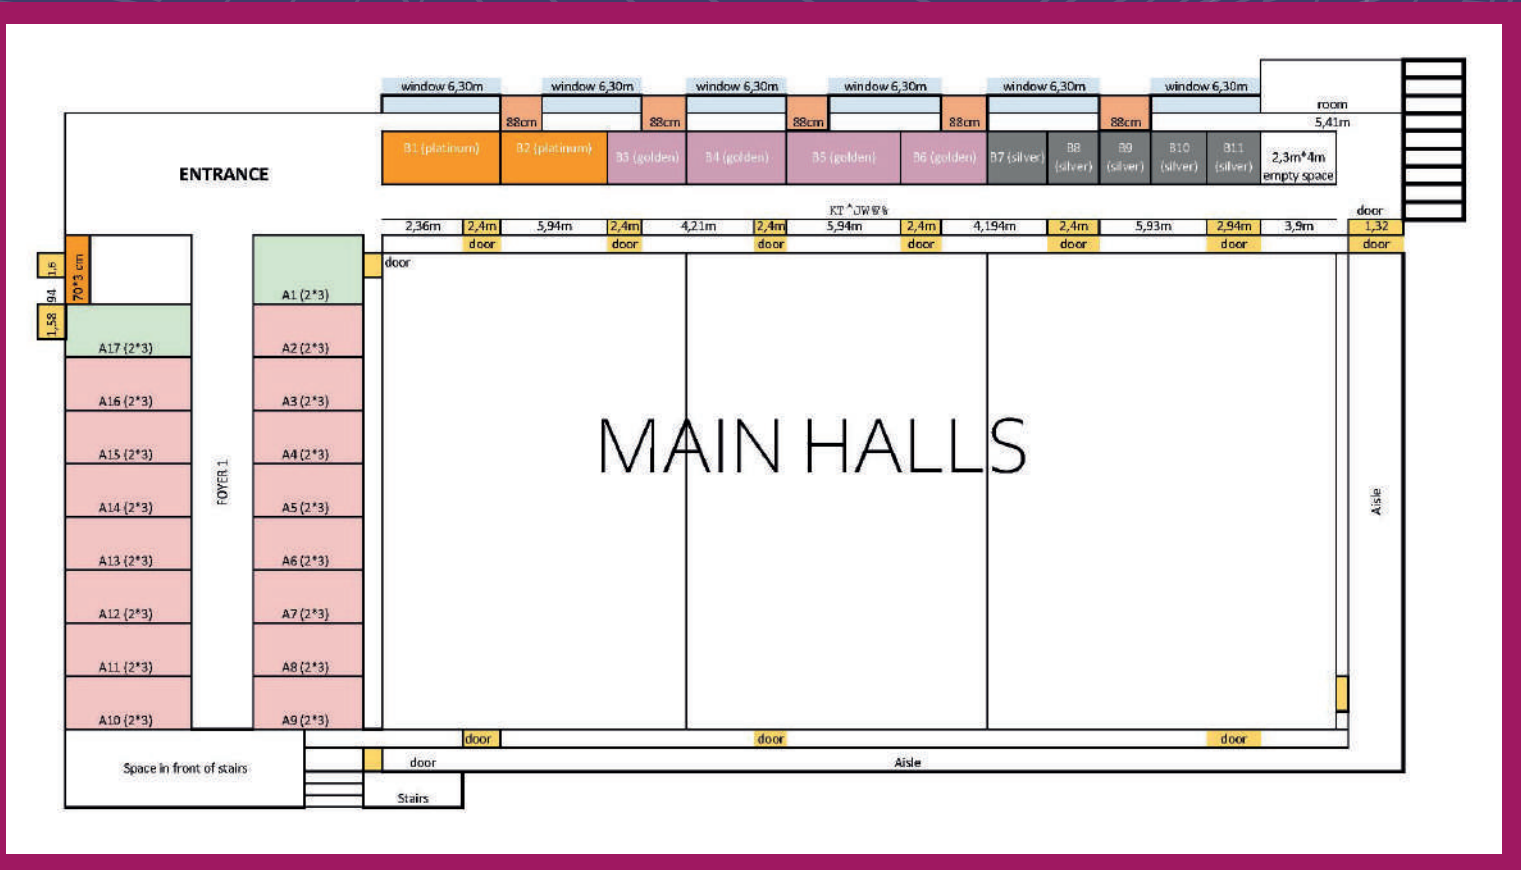

TARGET PARTICIPANTS

- Renowned scholars and scientists with global recognition.
- Leading academics, researchers, and experts in the field.
- Expert engineers and seismic specialists.
- Representatives from prominent engineering and construction companies.
- Creative researchers and aspiring engineers.
- Entrepreneurs and specialists from the construction industry.
- Leaders and officials from both public and private sectors.
- Decision-makers and government representatives at local and national levels.

EXHIBITION AREA

WHY SHOULD I BE A SPONSOR?

- **Network with experts and stakeholders:** Sponsoring the conference can provide companies with the opportunity to network with experts and stakeholders in the field of seismic engineering. This can help them build new relationships and partnerships that can lead to future business opportunities.
- **Brand Exposure:** Sponsoring the conference provides a platform for companies to showcase their brand to a targeted audience, potentially leading to increased brand recognition and market share.
- **Generate exclusive leads:** Sponsoring the conference can provide companies with exclusive leads that they may not have been able to access otherwise. This can help them expand their customer base and grow their business.
- **Professional Development:** Sponsoring the conference provides opportunities for professional development for employees, including attending technical sessions and workshops, learning about the latest advancements in seismic engineering, and networking with other professionals.
- **Recruitment:** By sponsoring the conference, companies can attract top talent in the seismic engineering field, potentially leading to the recruitment of highly skilled employees.
- **Supporting the Industry:** By sponsoring the 18WCSI-7ICEES conference, companies can demonstrate their commitment to supporting the seismic engineering industry and its professionals, contributing to its growth and development.

WHY SHOULD I ATTEND TO THE CONFERENCE?

- Attending a conference that brings together leading academics, researchers, and experts in the field to present the latest research is an important opportunity to stay up-to-date on industry developments.
- By listening to research presentations and discussions at the conference, you can gain new ideas that can benefit your research.
- Through social networking opportunities provided by the conference, you can establish both industry and academic collaborations with other experts in the field.
- You can attend workshops and educational sessions to develop yourself academically.
- By sharing the results of research presentations and discussions at the conference, you can contribute to the field along with other academics in the industry.
- Attending the conference can provide a valuable experience for closely following the latest industry developments, increasing your industry knowledge and expertise.

SPONSORSHIP OPPORTUNITIES

We invite your company to partner with us in the organisation of an exciting and successful the 18th World Conference on Seismic Isolation, Energy Dissipation, and Active Vibration Control of Structures (18WCSI) and the 7th International Conference on Earthquake Engineering and Seismology (7ICEES).

With this in mind we have devised a number of opportunities that you can choose to reach the desired sponsorship level. Please explore the range of opportunities and select as many items as you wish. Then, depending on the total sponsorship amount, you'll reach a certain sponsorship level, leading to extra benefits.

SPONSORSHIPS

The sponsorship services have been categorized under four main headings:

- A** MAIN SPONSORSHIPS
- A1** PLATINIUM SPONSORSHIP
- A2** GOLDEN SPONSORSHIP
- A3** SILVER SPONSORSHIP

A1 PLATINIUM SPONSORSHIP **25.000 €+VAT**

- Free Registration up to 4 people including 2 double/twin room accommodation
- Privilege of Speaking at the Opening Session (7 min.) including sponsor video (3min)
- Large Size Exhibition Booth at the Lounge Area
- Large Size Logo on Stage Banner
- Logo on Lanyard
- 2 Session Sponsorships including sponsor video (3min) at the start of sessions
- Usage of Company logo on all Printed/Digital Materials
- Program Book Advertisement (Back Cover)
- Conference Bag Advertising Insert (Prepared by Sponsor)
- Gala Dinner

A2 GOLDEN SPONSORSHIP **15.000 €+VAT**

- Free Registration up to 2 people including 1 double/twin room accommodation
- Medium Size Exhibition Booth at the Lounge Area
- Medium Size Logo on Stage Banner
- 1 Session Sponsorship including sponsor video (3min) at the start of session
- Usage of Company logo on all Printed/Digital Materials
- Program Book Advertisement (1 Full Page)
- Conference Bag Advertising Insert (Prepared by Sponsor)
- Gala Dinner

A3 SILVER SPONSORSHIP **10.000 €+VAT**

- Free Registration up to 2 people including 1 double/twin room accommodation
- Medium Size Exhibition Booth at the Entrance Hall
- Regular Size Logo on Stage Banner
- Usage of Company logo on all Printed/Digital Materials
- Program Book Advertisement (1/2 Page)
- Conference Bag Advertising Insert (Prepared by Sponsor)
- Gala Dinner

Sponsorship Description	Platinum	Golden	Silver
Privilege of Speaking at the Opening Session (including 3 min. Video)	✓	-	-
Free Registration (no. of People)	4	2	2
Free Accomodation (no. of Double Rooms)	2	1	1
Exhibition Booth at Lounge Area	Large	Medium	-
Exhibition Booth at Entrance Hall	-	-	Medium
Printing the Company's Logo on the Lanyard	✓	-	-
Distribution of the Company Brochures in Conference Bags	✓	✓	✓
Logo on Stage Banner	Large	Medium	Small
Session Sponsorships (including 3 min. Video)	2	1	-
Program Book Advertisement	Back Cover	1 Full Page	½ Page
Gala Dinner	✓	✓	✓
Usage of Company logo on the all Printed/Digital Materials	✓	✓	✓

B REGULAR SPONSORSHIP 5.000 €+VAT	D CONFERENCE BAG SPONSORSHIP 8.000 €+VAT	C GALA DINNER SPONSORSHIP 20.000 €+VAT
<p>-Regular size booths (2x3 meters).</p> <p>-Includes 2 free registration and 1 double/twin room accommodation.</p> <p>-The construction of the booth with standard equipment, the frontal script of the company, 1 table, 2 chairs, waste basket, electricity, spotlights and general cleaning are included.</p> <p>-Please contact us to special interest areas!</p>	<p>-Usage of Company logo on all Printed/Digital Materials.</p> <p>-%40 discount on booths (limited for one booth).</p>	<p>-Usage of Company logo at gala dinner menu and venue.</p> <p>-Includes 2 free registration and 1 double/twin room accommodation.</p> <p>-Usage of Company logo on all Printed/Digital Materials.</p> <p>-Privilege of Speaking at the Gala Dinner (5 min.) including sponsor video (3 min.).</p>

Exhibitor Benefits

- Company name and logo will be shown on the official congress web page (www.18wcsi-7icees.org) from the signing of the contract until the end of the conference.
- Participation of the exhibition company will be periodically announced on the official social media accounts.
- Access to participant list (after the congress).
- There will be %20 discount for EEAT members and %10 discount for ASSISi members.
